This agreement acknowledges parental or guardian consent for the above named student(s) to participate in swimming instruction at Leahi Swim School, Inc. (hereafter LSS). The named student(s) has/have had a health examination within the last six (6) months and his/her/their general health permits participation in water activities. I acknowledge that it is my responsibility to determine with a medical doctor if there are any medical conditions that would contraindicate participation in a swimming program and to notify LSS in writing at the time of determination.

In consideration of permitting the above named student(s) to enroll in a swimming program at LSS, from this day forward, for all subsequent lessons and activities at LSS or for transportation to or from LSS by LSS or its provider(s), I hereby voluntarily release, discharge, waive and relinquish any and all actions or causes of action for personal injury, property damage or wrongful death occurring as a result of engaging in said programs. I agree to indemnify and hold harmless LSS, their agents and employees against any and all liability for personal injury resulting from participation in the programs. This release shall remain in full force and effect including during enrollment breaks from year to year. All future enrollments via electronic or paperless means shall be deemed a release herein.

I further understand and agree that these lessons and activities do not imply or make any guarantee of water safety for the above named student(s) and that I must therefore supervise or provide supervision for said student(s) at all times when around bodies of water including while on LSS property.

I acknowledge that I am authorized and empowered to sign this agreement, that I have fully read and understand the foregoing paragraphs, that I agree to abide by the terms and policies stated on this application form, that LSS has the right to refuse service to anyone and/or to amend its policies at anytime and without cause, that I have been fully and completely advised of the potential danger incidental to engaging in swimming activities, and that I am fully aware of the legal consequences of signing this instrument.
